## SYNOPSIS

**The present Petition is being filed by the Petitioners under Article 32 of the Constitution of India, seeking to challenge the Waqf (Amendment) Act, 2025 (hereinafter referred to as the “2025 Act”) as being *ultra vires* and in violation of Articles 14, 15, 25, 26 and 300A of the Constitution of India.**

It is submitted that there are about 35 amendments introduced to the Waqf Act, 1995 (hereinafter referred to as the “1995 Act”) by the impugned 2025 Act, primarily designed to weaken the State Waqf Boards and to convert the waqf properties into Government properties. It is further submitted that these amendments will distort the religious character of waqfs while also irreversibly damaging the democratic process in the administration of waqfs and Waqf Boards. Hence, it is submitted that the 2025 Act is a blatant intrusion into the rights of a religious denomination to manage its own affairs in the matter of religion which is protected under Article 26 of the Constitution of India. Further, the 2025 Act is against the federal principles of Constitution as it takes away all powers of State Governments and State Waqf Boards in connection with waqfs and accumulates all powers into the hands of Central Government. It is submitted that the 2025 Act introduced to the definition of ‘waqf’ given in Section 3 (r) of the 1995 Act, newly added Section 3C, and newly added ‘proviso’ to Section 7 (1) will have series consequences to number of existing waqfs. The cumulative effect of these

## C

provisions will be highly detrimental to waqfs at large and the Muslim community will be deprived of large tract of waqf properties on account of operation of these provisions.

### **2025 ACT IS VIOLATIVE OF OBJECT OF WAQF ACT, 1995:**

**At the outset it is submitted that the word “*Waqf*” is a form of charity under Islam that has Quranic roots. It is a permanent dedication of movable or immovable property for any purpose recognized by Muslim law as pious, religious or charitable. To further protect this charitable dedication, it has been declared that the same will be permanent, hence the settled principle, once a waqf always a waqf (reliance in this regard is placed on the judgement of this Hon’ble Court in *Sayyed Ali & Ors. v. Andhra Pradesh Wakf Board Hyderabad & Ors.*, 1998 (2) SCC 642). To infringe upon this sacred principle by attempting to alter the nature of waqf properties is essentially an infringement and violation of the very essence of waqf.**

**In the aforementioned context, 1995 Act was enacted with the sole objective of providing for “*better administration of Auqaf and for matters connected therewith*”. However, the impugned 2025 Act not only fails to contribute to the better administration of Waqf properties but also takes away from the very essence of the concept of Waqf. It is thus submitted that the impugned 2025 Act is neither in keeping with nor for the advancement of the objectives of the 1995 Act. On the other hand, it**

## **D**

serves the purpose of the defeating the very objective that it is purportedly meant to facilitate. It is a settled principle of law that an amendment to a statute must be in consonance with the basic structure and object of the original legislation and if an amendment nullifies or defeats the very purpose of the parent act, it can be struck down as ultra vires or unconstitutional. Reliance in this regard is place on the judgment of this Hon'ble Court in *K. Nagaraj & Ors. v. State of Andhra Pradesh* (1985) 1 SCC 523.

In this regard it is submitted that the following arbitrary provisions that have been introduced by the 2025 Act fortify the aforementioned submission of the Petitioner:

### **I. ELIMINATION OF WAQF BY USER:**

By amending the definition of waqf and omitting sub-clause (i) completely from Section 3 (r), the impugned Act aims to eliminate the concept of Waqf by user. As per Muslim jurisprudence Waqf can be created either verbally or under a deed or by user. When a land or property has been being used for religious or pious purpose for long period by people belong to Muslim Community, such property or land becomes waqf by user. Despite the absence of an express deed for creating Waqf, when the long use of a particular property for public religious purpose is established through evidences, such property can be recognized as Waqf by user. This concept of Waqf by user has been accepted and upheld by all courts

## E

including this Hon'ble Court in various cases. In *M. Siddiq (D) thr. L.Rs v. Mahant Suresh Das and Ors.* (2020) 1 SCC 1, the Constitution Bench of this Hon'ble Court has held that Indian jurisprudence also recognizes the principle of waqf by user and the test is whether the property has been used for public religious purpose by those professing Islamic faith. Now, by way of eliminating this concept of Waqf by user from the Act, the deed of dedication has become mandatory for all Waqfs. It is submitted that a major percentage of existing waqfs in India do not have a Waqf deed as these Waqfs came into existence centuries ago and became Waqfs through Waqf by user. As a result of deleting this 'Waqf by user' from statute now anybody can challenge the characteristic of these age old Waqfs and claim these properties to be private property or government property. Under the existing Act, once a property is included in the list of Waqfs and notified under Section 5 as Waqf, that notification can be challenged before Waqf Tribunal within one year from date of notification but not thereafter. This limitation period is extended under the new Act as two years. Moreover, as per the newly added Proviso to Section 7 (1), any Waqf notification can be challenged even after this prescribed period of two years, if the applicant satisfies the Tribunal that he had sufficient reason for not making the application challenging the notification within such period. Thus, the specific limitation period is removed. Resultantly there will be a floodgate of applications challenging the Waqfs at various places in India, including

## F

the age old waqfs. Since most of these waqf are not created under any deed but became Waqf as ‘waqf by user’, and ‘waqf by user’ is no more a recognized Waqf, all these waqfs will cease to be waqfs.

### II. REMOVAL OF MUSLIMS:

**It is submitted that a bare perusal of the aforementioned provisions contained in the 2025 Act displays a patent discrimination against Muslims, based purely on religion, ousting them from carrying out any meaningful administration of an entity that is a creation of their very religion.**

**Further, the proviso that has been inserted in amended Sections 9 and 14 providing that** two of total members of the Central Waqf Council and the Board of Auqaf appointed thereunder, excluding *ex officio* members, shall be non-Muslim. It is submitted that such a provision **exacerbates the discrimination on religious grounds by mandating the presence of a minimum of two “non-Muslims” excluding the *ex-officio* members on the Central Waqf Council and the Board of Auqaf and exhibits a deep lack of trust on the part of the legislators in an all Muslim Central Waqf Council and the Board of Auqaf to carry the duties and functions of the Central Waqf Council and the Board of Auqaf. It is submitted that such a provision is manifestly arbitrary and in gross violation of Articles 14, 15 and 26 of the Constitution of India and deserves to be struck down on this ground alone.**

### **III. GOVERNMENT MADE A JUDGE IN ITS OWN CAUSE:**

# M

It is submitted that the 2025 Act under Section 3C contrives of a mechanism that could result in large scale usurpation of waqf properties by the Government. This is done by a twofold mechanism firstly by providing that any Government property identified or declared as waqf property, before or after the commencement of the 20205 Act, shall not be deemed to be waqf property and secondly by stating that if any question arises as to whether any such property is a Government property, the State Government may, by notification designate an officer above the rank of the Collector, who shall conduct an inquiry and determine whether the property belongs to the Government or not. The relevant Section is extracted herein below:

**Section 3C: Wrongful Declaration of Waqf:**

*3C.(1) Any Government property identified or declared as waqf property, before or after the commencement of this Act, shall not be deemed to be a waqf property.*

*(2) If any question arises as to whether any such property is a Government property, the State Government may, by notification, designate an officer above the rank of Collector (hereinafter referred to as the designated officer), who shall conduct an inquiry as per law, and determine whether such property is a Government property or not and submit his report to the State Government:*

*Provided that such property shall not be treated as waqf property till the designated officer submits his report.*

*(3) In case the designated officer determines the property to be a Government property, he shall make necessary corrections in revenue records and submit a report in this regard to the State Government.*

*(4) The State Government shall, on receipt of the report of the designated officer, direct the Board to make appropriate correction in the records.*

It is submitted that by the mechanism the Government is attempting

to become a judge in its own cause, as the designated officer would,

being of rank higher than the Collector, necessarily be a Government

# N

**Officer. Thus, the probability of such an officer conducting a fair and impartial inquiry would be extremely bleak and remote. It is submitted that a dispute resolution mechanism, that on the face of it lacks the basic requirements of impartiality, fairness and equity is manifestly arbitrary, illegal and in violation of the principles of natural justice.**

**Further under the proviso to Section 3(r) of the 2025 Act waqf properties existing as such by way of waqf by user have also been made subject to same mechanism as mentioned above. The said provision is extracted herein below:**

**Section 3: Definitions:**

*(r) “waqf” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...*

*Provided that the existing waqf by user properties registered on or before the commencement of the Waqf (Amendment) Act, 2025 as waqf by user will remain as waqf properties except that the property, wholly or in part, is in dispute or is a government property;..*

**It is further submitted that the Proviso to Sub-Section (2) to Section 3C says that such property shall not be treated as waqf till the designated officer submits his report. Thus if a dispute arise as to whether any waqf property is a government property and the designated officer commence inquiry into that dispute, from the very moment onwards the concerned property ceases to be waqf property and it remains to be not a waqf property till the designated officer**

# O

submits his report in favour of waqf. This provision is blatantly contrary to the settled legal principles regarding interim relief in civil law. The settled law is that interim arrangement during pendency of a dispute shall be either in favour of status quo or to be decided on the basis on balance of convenience in each case. It is also to be noted herein that there is no time frame prescribed in this provision for the designated officer to conclude the inquiry and submit his report. Thus the officer can keep the inquiry pending for any longer time and the concerned property will remain ceased to be a waqf property during that period. Such a statutory provision is against all settled legal principles and blatantly arbitrary.

#### **IV. EXCESSIVE POWERS OF CENTRAL GOVERNMENT:**

It is submitted that the following provisions give excessive and wide powers to the Central Government making the 2025 Act susceptible to colourable legislation. The specific provisions granting such excessive powers are extracted herein below:

##### **Section 3: Definitions:**

*(fa) “Government Organisation” includes the Central Government, State Governments, Municipalities, Panchayats, attached and subordinate offices and autonomous bodies of the Central Government or State Government, or any organisation or Institution owned and controlled by the Central Government or State Government.*

*(ka) “portal and database” means the waqf asset management system or any other system set up by the Central Government for the registration, accounts, audit and any other detail of waqf and the Board, as may be prescribed by the Central Government;*

*(r) “waqf” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such*

# P

*property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...*

....

*(iv) a waqf-alal-aulad to the extent to which the property is dedicated for any purpose recognised by Muslim law as pious, religious or charitable, provided when the line of succession fails, the income of the waqf shall be spent for education, development, welfare or maintenance of widow, divorced woman and orphan, if waqif so intends, in such manner, as may be prescribed by the Central Government and such other purposes as recognised by Muslim law,*

## **Section 3B: Filing details of Waqf on portal and database:**

*3B.(1) Every waqf registered under this Act, prior to the commencement of the Waqf (Amendment) Act, 2025, shall file the details of the waqf and the property dedicated to the waqf on the portal and database, within a period of six months from such commencement...*

*(2) The details of the waqf under sub-section (1), amongst other information, shall include the following, namely:—*

.....

*(j) any other particular as may be prescribed by the Central Government.*

## **Section 36: Registration:**

*(3) An application for registration shall be made to the Board through the portal and database and shall contain the following particulars:—*

...

*(f) any other particulars as may be prescribed by the Central Government.*

## **Section 61: Penalties:**

*(1A) If a mutawalli fails to—*

*(ii) carry out the directions of the Collector or the Board;*

*(iii) do any other act which he is lawfully required to do by or under this Act;*

**It is submitted that the position *qua* colourable legislations has been elaborated upon in a catena of judgments holding that if there are limitations on the legislative authority in the shape of fundamental rights, questions do arise as to whether the legislature has transgressed the limits of its constitutional powers. Such transgression may be patent, manifest or direct, but it may also be disguised, covert**

# Q

and indirect and it is to this latter class of cases that the expression 'colourable legislation' has to be applied. Reliance in this regard is placed on the judgement of this Hon'ble Court in *Gullapalli Nageswara Rao And Others vs Andhra Pradesh State Road Transport Corporation & Anr.* 1959 AIR 308.

## **V. UNREASONABLE REQUIREMENT OF INFORMATION FROM WAQFS:**

It is submitted that the 2025 Act under Section 3B imposes the requirement on already existing waqfs to provide details of waqfs that are to include the name and address of the creator of the waqf, mode and date of creation. The relevant section is extracted hereinbelow:

### **Section 3B: Filing details of Waqf on portal and database:**

*3B.(1) Every waqf registered under this Act, prior to the commencement of the Waqf (Amendment) Act, 2025, shall file the details of the waqf and the property dedicated to the waqf on the portal and database, within a period of six months from such commencement...*

*(2) The details of the waqf under sub-section (1), amongst other information, shall include the following, namely:—*

*...*

*(b) the name and address of the creator of the waqf, mode and date of such creation;*

*.....*

**It** is submitted that newly added Section 3B says that every waqf shall file the details of the waqf and properties under it on the portal and database set up by the central government within six months of commencement of this amendment Act. The details mandatorily to be filed on the portal of central government are enlisted in Section 3B (2), which include name and address of creator of the Waqf, mode and date of creation. There are

# R

hundreds of masjids and other institutions functioning as Waqfs from time immemorial in various parts of this country, and it will not be possible for these ancient waqfs to find out the name and address of its creator. Legal proceedings may be initiated against these waqfs for not complying with this provision and ultimately, they can be declared as not waqfs for not furnishing details to the portal and database set up by the Central Government under Section 3B.

**It is pertinent to note that compliance with such a requirement is impossible for waqfs that are more than a century old. It is also a gross deviation from the earlier requirement under Section 36 (3) (a) of the 1995 Act that only required a description of the waqf properties sufficient for identification thereof. It is submitted that the insertion of such a requirement shows the malafide intention to somehow make the registration of the waqfs unfeasible and non-viable.**

## **VI. ARBITRARY AMENDMENT OF MEANING OF WAQF:**

**It is submitted that the 2025 Act amends the meaning of the word “*waqf*” to a permanent dedication by *any person showing or demonstrating that he is practicing Islam for at least five years of any movable or immovable property, having ownership of such property and that there is no contrivance involved in dedication of such property*. The relevant provision is extracted hereinbelow:**

### **Section 3: Definitions:**

## S

*(r) “waqf” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...*

**It is submitted that the requirement so inserted is patently arbitrary and devoid of reason on the following grounds:**

- i) **It is pertinent to note that a person converting to Islam does not acquire any formal proof thereof since the same involves a formal declaration of faith, the *Shahada*, with conviction and understanding. Conversion to Islam is a journey and not a single event, involving learning about the religion and how to live as a Muslim. Thus the “showing” and “demonstrating” of being a practicing Muslim cannot be made a criterion to prove that a person has in fact converted. There is no straitjacket formula or basis on which the Government can determine as to whether a person is a practicing Muslim or not;**
- ii) **It is further submitted that the aforementioned amendment has the effect of gravely limiting the number of persons who want to create a Waqf by making the process of the doing the same arduous and arbitrary. In this regard it is pointed out that historically a waqf means the permanent dedication by “*any person*” (as included by way of the 2013 amendment in the 1995 Act). Thus,**

# T

being a Muslim, was never a requirement so far as creation of a Waqf was concerned.

- iii) It is submitted that the requirement of proving the lack of contrivance involved in the dedication, is an unreasonable and arbitrary requirement that not only violates an individual's autonomy to decide the manner in which he would like to deal with his property but also opens doors to invasion of his privacy at the hands of authorities. Further, such a requirement is completely unnecessary in view of the requirement of proving ownership. In this regard it is further submitted that once ownership of the property has been shown, the decision of an individual to dedicate the same to waqf cannot be questioned or interfered with by any authority.

## **VII. ILLEGAL RESTRICTION ON RIGHT OF WAKIF:**

It is submitted that the 2025 Act under Section 3A(2) states that the creation of a *waqf-alal-aulad* shall not result in denial of inheritance rights of heirs, including women heirs. The relevant provisions are extracted hereinbelow:

### **Section 3: Definitions:**

(r) “*waqf*” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...

# U

....

*(iv) a waqf-alal-aulad to the extent to which the property is dedicated for any purpose recognised by Muslim law as pious, religious or charitable, provided when the line of succession fails, the income of the waqf shall be spent for education, development, welfare or maintenance of widow, divorced woman and orphan, if waqif so intends, in such manner, as may be prescribed by the Central Government and such other purposes as recognised by Muslim law, and “waqif” means any person making such dedication.*

## **Section 3A(2):**

*(2) The creation of a waqf-alal-aulad shall not result in denial of inheritance rights of heirs, including women heirs, of the waqif or any other rights of persons with lawful claims.*

**In this regard it is submitted that that** *waqf-alal-aulad* is created through a written instrument executed by the creator, wherein the deed specifies the beneficiaries and the distribution of benefits. The statutory protection granted to the creator of *waqf-alal-aulad* against state interference parallels that afforded to wills and gifts and as such the creator retains the absolute right to designate only select heirs as beneficiaries while excluding others.

**It is further submitted that** the inheritance and succession under the Islamic law explicitly allocate fixed shares to women heirs. The 2025 Act encroaches upon the constitutionally protected right to establish *waqf-alal-aulad* under the guise of safeguarding women's inheritance rights despite the fact that women heirs already receive specific shares as Qur'anic heirs.

## **VIII. ATTEMPT TO CREATE CONFLICT BETWEEN TWO STATUTES:**

## V

**It is submitted that the 2025 Act under Section 3D attempts to introduce a conflict between the properties that are waqf properties and properties that are protected under the Ancient Monuments Preservation Act, 1904 or the Ancient Monuments and Archaeological Sites and Remains Act, 1958. The relevant provision is extracted hereinbelow:**

**Section 3D:**

*3D. Any declaration or notification issued under this Act or under any previous Act in respect of waqf properties shall be void, if such property was a protected monument or protected area under the Ancient Monuments Preservation Act, 1904 or the Ancient Monuments and Archaeological Sites and Remains Act, 1958, at the time of such declaration or notification.*

**The** aforementioned provision is bad in law on the following grounds:

- i. **It is submitted that a Waqf property by its very essence is a permanent dedication and the principle “once a waqf always a waqf” has been settled by this Hon’ble Court in a catena of judgments. Thus, the present attempt being made in Section 3D to now declare an existing waqf property as void is unsustainable.**
- ii. **Without prejudice to the foregoing submission regarding the permanent nature of a waqf property, it is submitted that both the Ancient Monuments Preservation Act, 1904 as well as the Ancient Monuments and Archaeological Sites and Remains Act, 1958, provide for detailed mechanism by which the Government**

# W

can declare a property as protected under the respective statute. The relevant provisions are extracted hereinbelow for ready reference:

Section 3 of the Ancient Monuments Preservation Act, 1904

### **3. Protected monuments.—**

(1) The <sup>1</sup>[Central Government] may, by notification in the Official Gazette, declare an ancient monument to be a protected monument within the meaning of this Act.

(2) A copy of every notification published under sub-section (1) shall be fixed up in a conspicuous place on or near the monument, together with an intimation that any objections to the issue of the notification received by the <sup>1</sup>[Central Government] within one month from the date when it is so fixed up will be taken into consideration.

(3) On the expiry of the said period of one month, the <sup>1</sup>[Central Government], after considering the objections, if any, shall confirm or withdraw the notification.

(4) A notification published under this section shall, unless and until it is withdrawn, be conclusive evidence of the fact that the monument to which it relates is an ancient monument within the meaning of this Act.

Section 4 of the Archaeological Sites and Remains Act, 1958

provides as follows:

### **4. Power of Central Government to declare ancient monuments, etc., to be of national importance.—**

(1) Where the Central Government is of opinion that any ancient monument or archaeological site and remains not included in section 3 is of national importance, it may, by notification in the Official Gazette, give two months' notice of its intention to declare such ancient monument or archaeological site and remains to be of national importance; and a copy of every such notification shall be affixed in a conspicuous place near the monument or site and remains, as the case may be.

(2) Any person interested in any such ancient monument or archaeological site and remains may, within two months after the issue of the notification, object to the declaration of the monument, or the archaeological site and remains, to be of national importance.

# X

*(3) On the expiry of the said period of two months, the Central Government may, after considering the objections, if any, received by it, declare by notification in the Official Gazette, the ancient monument or the archaeological site and remains, as the case may be, to be of national importance.*

*(4) A notification published under sub-section (3) shall, unless and until it is withdrawn, be conclusive evidence of the fact that the ancient monument or the archaeological site and remains to which it relates is of national importance for the purposes of this Act.*

Thus, in case of a situation where the Government is of the opinion that a particular property is a protected monument, a mechanism is already contemplated that involves grant of hearing and consideration of objections of the owners of the property. Hence clearly the 2025 Act is an attempt to create conflict and indirectly deprive the owners from raising objections and being heard if their property is declared as a protected property/monument. This is blatant violation of the principles of natural justice and smacks of malice.

## **IX. VIOLATION OF RELIGIOUS RIGHTS OF MUSLIM**

### **MEMBERS OF SCHEDULED TRIBES:**

**It is submitted that the 2025 Act under Section 3E inter alia makes a blatant attempt to deprive Muslim members of Scheduled Tribes under the Fifth or Sixth Schedule to the Constitution of India from exercising their rights Wakifs of various waqf properties. The relevant provision is extracted herein below:**

*3E. Notwithstanding anything contained in this Act or any other law for the time being in force, no land belonging to members of Scheduled Tribes under the provisions of the Fifth Schedule or the Sixth Schedule to the Constitution shall be declared or deemed to be waqf property.*

## LIST OF DATES & EVENTS

- 1954-1995** That for the better administration and supervision of Waqfs the Waqf Act was enacted in the year 1954. Thereafter it was amended in 1959, 1964, 1969. In 1984 comprehensive amendments were made by the Waqf (Amendment) Act, 1984 which were based on the recommendations of the Waqf Inquiry Committee. However, after careful considerations of the objections to the various provisions of the 1984 Act and after holding wide ranging discussions with the leaders of the Muslim Community the Waqf Act, 1995 was enacted. The said Act was further amended in 2013.
- 2025** That the impugned Waqf (Amendment) Act, 2025 was passed by the Lok Sabha and Rajya Sabha.
- 06.04.2025** Hence the present Writ Petition.

CHALLENGING THE CONSTITUTIONAL VALIDITY OF THE  
WAQF (AMENDMENT) ACT, 2025.**

**TO,**

**THE HON'BLE THE CHIEF JUSTICE OF INDIA AND HIS  
COMPANION JUSTICES OF THE SUPREME COURT OF INDIA**

**THE HUMBLE PETITION OF THE  
PETITIONER ABOVE-NAMED**

**MOST RESPECTFULLY SHOWETH:**

1. The present Petition is being filed by the Petitioners under Article 32 of the Constitution of India, seeking to challenge the Waqf (Amendment) Act, 2025 (hereinafter referred to as the “2025 Act”) as being *ultra vires* and in violation of Articles 14, 15, 25, 26 and 29 of the Constitution of India.
2. That the details of the Petitioners are as under:
  - (i) That the petitioner no.1 herein is a religious organization of the Sunni Muslim scholars and clerics in Kerala. It was founded in

1925 and it stands registered under the Society Registration Act bearing Registration Number S1/1934/35. Applicant is the largest Muslim organization in Kerala in terms of number of followers, number of mahals (territories divided into different areas) controlled, number of masjids and the number of madrasas (religious schools), colleges and other institutes run by it. Most of those institutions run by the petitioner are functioning in waqf properties dedicated by various waqifs and managed by different muttawallis.

- (ii) That petitioner no.2 is the General Secretary of petitioner no.1. Further, petitioner no.2 is a citizen of India and Muslim in faith, belief and practice. The impugned Act herein infringes fundamental rights of petitioner no.2 and also of large section of Indian citizens whose interest is represented by petitioner no.2 as protected under Article 14, 15, 25 and 26 of the Constitution of India.

3. That the Petitioners have no personal interest or motive in filing the instant petition but only seek the intervention of this Hon'ble Court in order to ensure that the patently unconstitutional 2025 Act is struck down for being inherently flawed and ultra vires the Constitution of India and in violation of the law laid down by this Hon'ble Court. In this regard it is also pointed out that it has been

settled by this Hon'ble Court that legislative policy must be in conformity with constitutional mandates and if that is not so, the Court's may declare the same as unconstitutional and such a declaration cannot be questioned on ground of interference with policy decision. That the Petitioners are not involved in any litigation before any other forum/court/authority, which has a nexus with the instant Petition.

4. In view of the above background, the following substantial questions of law arise for the consideration of this Hon'ble Court:

- a. **WHETHER** the impugned 2025 Act satisfies the test of Article 14 of the Constitution, which guarantees equality before the law and equal protection of law?
- b. **WHETHER** the impugned 2025 Act, is, on the face of it, violative of Articles 14 and 15 of the Constitution on the grounds of arbitrary and hostile discrimination?
- c. **WHETHER** the impugned 2025 Act is *ultra vires* the 1995 Act?
- d. **WHETHER** the impugned 2025 Act is in violation of Articles 25, 26 and 29 of the Constitution, in so far as it tampers with and infringes upon the religious and cultural essence of Waqf and Waqf properties?

5. **That the factual matrix of the present case is as under:**

a) That for the better administration and supervision of Waqfs the Waqf Act was enacted in the year 1954. Thereafter it was amended in 1959, 1964, 1969. In 1984 comprehensive amendments were made by the Waqf (Amendment) Act, 1984 which were based on the recommendations of the Waqf Inquiry Committee. However, after careful considerations of the objections to the various provisions of the 1984 Act and after holding wide ranging discussions with the leaders of the Muslim Community the Waqf Act, 1995 was enacted. The said Act was further amended in 2013. True copy of the Waqf Act, 1995 is annexed herewith and marked as **ANNEXURE-P1 (Pg.33 to 82)**.

b) That the impugned Waqf (Amendment) Act, 2025 was passed by the Lok Sabha and Rajya Sabha.

True copy of the Waqf (Amendment) Act, 2025 is annexed herewith and marked as **ANNEXURE-P2 (Pg.83 to 98)**.

6. That the Petitioners have no other alternate, effective and officious remedy other than to approach this Hon'ble Court through the present writ petition preferred under Article 32 of the Constitution of India on the following amongst other grounds:

### **GROUND**

#### **2025 ACT IS VIOLATIVE OF OBJECT OF 1995 ACT:**

A. **BECAUSE** at the outset it is submitted that the word “*Waqf*” is a form of charity under Islam that has Quranic roots. It is a permanent dedication of movable or immovable property for any purpose recognized by Muslim law as pious, religious or charitable. To further protect this charitable dedication, it has been declared that the same will be permanent, hence the settled principle, once a waqf always a waqf (reliance in this regard is placed on the judgement of this Hon’ble Court in *Sayyed Ali & Ors. v. Andhra Pradesh Waqf Board Hyderabad & Ors.*, 1998 (2) SCC 642). To infringe upon this sacred principle by attempting to alter the nature of waqf properties is essentially an infringement and violation of the very essence of waqf.

In the aforementioned context, the Waqf Act, 1995 (hereinafter referred to as the “1995 Act”) was enacted with the sole objective of providing for “*better administration of Auqaf and for matters connected therewith*”. However, the impugned 2025 Act not only fails to contribute to the better administration of Waqf properties but also takes away from the very essence of the concept of Waqf. It is thus submitted that the impugned 2025 Act is neither in keeping with nor for the advancement of the objectives of the 1995 Act. On the other hand, it serves the purpose of the defeating the very objective that it is purportedly meant to facilitate. It is a settled

principle of law that an amendment to a statute must be in consonance with the basic structure and object of the original legislation and if an amendment nullifies or defeats the very purpose of the parent act, it can be struck down as ultra vires or unconstitutional. Reliance in this regard is place on the judgment of this Hon'ble Court in *K. Nagaraj & Ors. v. State of Andhra Pradesh* (1985) 1 SCC 523.

### **ELIMINATION OF WAQF BY USER:**

B. **BECAUSE** by amending the definition of waqf and omitting sub-clause (i) completely from Section 3 (r), the impugned Act aims to eliminate the concept of Waqf by user. As per Muslim jurisprudence Waqf can be created either verbally or under a deed or by user. When a land or property has been being used for religious or pious purpose for long period by people belong to Muslim Community, such property or land becomes waqf by user. Despite the absence of an express deed for creating Waqf, when the long use of a particular property for public religious purpose is established through evidences, such property can be recognized as Waqf by user. This concept of Waqf by user has been accepted and upheld by all courts including this Hon'ble Court in various cases. In *M. Siddiq (D) thr. L.Rs v. Mahant Suresh Das and Ors.* (2020) 1 SCC 1, the Constitution Bench of this Hon'ble Court has held that

Indian jurisprudence also recognizes the principle of waqf by user and the test is whether the property has been used for public religious purpose by those professing Islamic faith. Now, by way of eliminating this concept of Waqf by user from the Act, the deed of dedication has become mandatory for all Waqfs. It is submitted that a major percentage of existing waqfs in India do not have a Waqf deed as these Waqfs came into existence centuries ago and became Waqfs through Waqf by user. As a result of deleting this ‘Waqf by user’ from statute now anybody can challenge the characteristic of these age old Waqfs and claim these properties to be private property or government property. Under the existing Act, once a property is included in the list of Waqfs and notified under Section 5 as Waqf, that notification can be challenged before Waqf Tribunal within one year from date of notification but not thereafter. This limitation period is extended under the new Act as two years. Moreover, as per the newly added Proviso to Section 7 (1), any Waqf notification can be challenged even after this prescribed period of two years, if the applicant satisfies the Tribunal that he had sufficient reason for not making the application challenging the notification within such period. Thus, the specific limitation period is removed. Resultantly there will be a floodgate of applications challenging the Waqfs at various places in India,

including the age old waqfs. Since most of these waqf are not created under any deed but became Waqf as ‘waqf by user’, and ‘waqf by user’ is no more a recognized Waqf, all these waqfs will cease to be waqfs.

### **REMOVAL OF MUSLIMS:**

C. **BECAUSE** it is submitted that the 2025 Act removes Muslims from key positions inter alia of the Central Waqf Council, Board of Auqaf and Chief Executive Officer. The relevant original and amended provisions are extracted hereinbelow:

---	--

It is submitted that a bare perusal of the aforementioned provisions contained in the 2025 Act displays a patent discrimination against Muslims, based purely on religion, ousting them from carrying out any meaningful administration of an entity that is a creation of their very religion.

Further, the proviso that has been inserted in amended Sections 9 and 14 providing that two of total members of the Central Waqf Council and the Board of Auqaf appointed thereunder, excluding *ex officio* members, shall be non-Muslim. It is submitted that such a provision exacerbates the discrimination on religious grounds by mandating the presence of a minimum of two “non-Muslims” excluding the *ex-officio* members on the Central Waqf Council and the Board of Auqaf and exhibits a deep lack of trust on the part of the legislators in an all Muslim Central Waqf Council and the Board of Auqaf to carry the

duties and functions of the Central Waqf Council and the Board of Auqaf. It is submitted that such a provision is manifestly arbitrary and in gross violation of Articles 14 and 15 of the Constitution of India and deserves to be struck down on this ground alone.

**GOVERNMENT MADE A JUDGE IN ITS OWN CAUSE:**

D. **BECAUSE** it is submitted that the 2025 Act under Section 3C contrives of a mechanism that could result in large scale usurpation of waqf properties by the Government. This is done by a twofold mechanism firstly by providing that any Government property identified or declared as waqf property, before or after the commencement of the 20205 Act, shall not be deemed to be waqf property and secondly by stating that if any question arises as to whether any such property is a Government property, the State Government may, by notification designate an officer above the rank of the Collector, who shall conduct an inquiry and determine whether the property belongs to the Government or not. The relevant Section is extracted hereinbelow:

**Section 3C: Wrongful Declaration of Waqf:**

*3C.(1) Any Government property identified or declared as waqf property, before or after the commencement of this Act, shall not be deemed to be a waqf property.*

*(2) If any question arises as to whether any such property is a Government property, the State Government may, by notification, designate an officer above the rank of Collector (hereinafter referred to as the designated officer), who shall conduct an inquiry*

*as per law, and determine whether such property is a Government property or not and submit his report to the State Government:*

*Provided that such property shall not be treated as waqf property till the designated officer submits his report.*

*(3) In case the designated officer determines the property to be a Government property, he shall make necessary corrections in revenue records and submit a report in this regard to the State Government.*

*(4) The State Government shall, on receipt of the report of the designated officer, direct the Board to make appropriate correction in the records.*

It is submitted that by the mechanism the Government is attempting to become a judge in its own cause, as the designated officer would, being of rank higher than the Collector, necessarily be a Government Officer. Thus, the probability of such an officer conducting a fair and impartial inquiry would be extremely bleak and remote. It is submitted that a dispute resolution mechanism, that on the face of it lacks the basic requirements of impartiality, fairness and equity is manifestly arbitrary, illegal and in violation of the principles of natural justice.

Further under the proviso to Section 3(r) of the 2025 Act waqf properties existing as such by way of waqf by user have also been made subject to same mechanism as mentioned above. The said provision is extracted hereinbelow:

### **Section 3: Definitions:**

*(r) "waqf" means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose*

*recognised by the Muslim law as pious, religious or charitable and includes— ...*

*...*

*Provided that the existing waqf by user properties registered on or before the commencement of the Waqf (Amendment) Act, 2025 as waqf by user will remain as waqf properties except that the property, wholly or in part, is in dispute or is a government property;..*

E. It is further submitted that the Proviso to Sub-Section (2) to Section

3C says that such property shall not be treated as waqf till the designated officer submits his report. Thus if a dispute arise as to whether any waqf property is a government property and the designated officer commence inquiry into that dispute, from the very moment onwards the concerned property ceases to be waqf property and it remains to be not a waqf property till the designated officer submits his report in favour of waqf. This provision is blatantly contrary to the settled legal principles regarding interim relief in civil law. The settled law is that interim arrangement during pendency of a dispute shall be either in favour of status quo or to be decided on the basis on balance of convenience in each case. It is also to be noted herein that there is no time frame prescribed in this provision for the designated officer to conclude the inquiry and submit his report. Thus the officer can keep the inquiry pending for any longer time and the concerned property will remain ceased to be a waqf property during that period. Such a statutory provision is against all settled legal principles and blatantly arbitrary.

## **EXCESSIVE POWERS OF CENTRAL GOVERNMENT:**

F. **BECAUSE** it is submitted that the following provisions give excessive and wide powers to the Central Government making the 2025 Act susceptible to colourable legislation. The specific provisions granting such excessive powers are extracted hereinbelow:

### **Section 3: Definitions:**

*(fa) “Government Organisation” includes the Central Government, State Governments, Municipalities, Panchayats, attached and subordinate offices and autonomous bodies of the Central Government or State Government, or any organisation or Institution owned and controlled by the Central Government or State Government.*

*(ka) “portal and database” means the waqf asset management system or any other system set up by the Central Government for the registration, accounts, audit and any other detail of waqf and the Board, as may be prescribed by the Central Government;*

*(r) “waqf” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...*

....

*(iv) a waqf-alal-aulad to the extent to which the property is dedicated for any purpose recognised by Muslim law as pious, religious or charitable, provided when the line of succession fails, the income of the waqf shall be spent for education, development, welfare or maintenance of widow, divorced woman and orphan, if waqif so intends, in such manner, as may be prescribed by the Central Government and such other purposes as recognised by Muslim law,*

### **Section 3B: Filing details of Waqf on portal and database:**

*3B.(1) Every waqf registered under this Act, prior to the commencement of the Waqf (Amendment) Act, 2025, shall file the*

*details of the waqf and the property dedicated to the waqf on the portal and database, within a period of six months from such commencement...*

*(2) The details of the waqf under sub-section (1), amongst other information, shall include the following, namely:—*

*.....*

*(j) any other particular as may be prescribed by the Central Government.*

### **Section 36: Registration:**

*(3) An application for registration shall be made to the Board through the portal and database and shall contain the following particulars:—*

*...*

*(f) any other particulars as may be prescribed by the Central Government.*

### **Section 61: Penalties:**

*(1A) If a mutawalli fails to—*

*(ii) carry out the directions of the Collector or the Board;*

*(iii) do any other act which he is lawfully required to do by or under this Act;*

It is submitted that the position *qua* colourable legislations has been elaborated upon in a catena of judgments holding that if there are limitations on the legislative authority in the shape of fundamental rights, questions do arise as to whether the legislature has transgressed the limits of its constitutional powers. Such transgression may be patent, manifest or direct, but it may also be disguised, covert and indirect and it is to this latter class of cases that the expression 'colourable legislation' has to be applied. Reliance in this regard is placed on the judgement of this Hon'ble Court in *Gullapalli Nageswara Rao And Others vs Andhra Pradesh State Road Transport Corporation & Anr.* 1959 AIR 308.

## **UNREASONABLE REQUIREMENT OF INFORMATION FROM**

### **WAQFS:**

G. **BECAUSE** it is submitted that the 2025 Act under Section 3B imposes the requirement on already existing waqfs to provide details of waqfs that are to include the name and address of the creator of the waqf, mode and date of creation. The relevant section is extracted hereinbelow:

#### **Section 3B: Filing details of Waqf on portal and database:**

*3B.(1) Every waqf registered under this Act, prior to the commencement of the Waqf (Amendment) Act, 2025, shall file the details of the waqf and the property dedicated to the waqf on the portal and database, within a period of six months from such commencement...*

*(2) The details of the waqf under sub-section (1), amongst other information, shall include the following, namely:—*

*...*

*(b) the name and address of the creator of the waqf, mode and date of such creation;*

*.....*

It is pertinent to note that compliance with such a requirement is impossible for waqfs that are more than a century old. It is also a gross deviation from the earlier requirement under Section 36 (3) (a) of the 1995 Act that only required a description of the waqf properties sufficient for identification thereof. It is submitted that the insertion of such a requirement shows the malafide intention to somehow make the registration of the waqfs unfeasible and non-viable.

## **ARBITRARY AMENDMENT OF MEANING OF WAQF:**

H. **BECAUSE** it is submitted that the 2025 Act amends the meaning of the word “*waqf*” to a permanent dedication by *any person showing or demonstrating that he is practicing Islam for at least five years of any movable or immovable property, having ownership of such property and that there is no contrivance involved in dedication of such property*. The relevant provision is extracted hereinbelow:

**Section 3: Definitions:**

(r) “*waqf*” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...

It is submitted that the requirement so inserted is patently arbitrary and devoid of reason on the following grounds:

- i) It is pertinent to note that a person converting to Islam does not acquire any formal proof thereof since the same involves a formal declaration of faith, the *Shahada*, with conviction and understanding. Conversion to Islam is a journey and not a single event, involving learning about the religion and how to live as a Muslim. Thus the “showing” and “demonstrating” of being a practicing Muslim cannot be made a criterion to prove that a person has in fact converted. There is no straitjacket formula or

basis on which the Government can determine as to whether a person is a practicing Muslim or not;

- ii) It is further submitted that the aforementioned amendment has the effect of gravely limiting the number of persons who want to create a Waqf by making the process of the doing the same arduous and arbitrary. In this regard it is pointed out that historically a waqf means the permanent dedication by “*any person*” (as included by way of the 2013 amendment in the 1995 Act). Thus, being a Muslim, was never a requirement so far as creation of a Waqf was concerned.
- iii) It is submitted that the requirement of proving the lack of contrivance involved in the dedication, is an unreasonable and arbitrary requirement that not only violates an individual’s autonomy to decide the manner in which he would like to deal with his property but also opens doors to invasion of his privacy at the hands of authorities. Further, such a requirement is completely unnecessary in view of the requirement of proving ownership. In this regard it is further submitted that once ownership of the property has been shown, the decision of an individual to

dedicate the same to waqf cannot be questioned or interfered with by any authority.

### **ILLEGAL RESTRICTION ON RIGHT OF WAKIF:**

- I. **BECAUSE** it is submitted that the 2025 Act under Section 3A(2) states that the creation of a *waqf-alal-aulad* shall not result in denial of inheritance rights of heirs, including women heirs. The relevant provisions are extracted hereinbelow:

#### **Section 3: Definitions:**

(r) “*waqf*” means the permanent dedication by any person, of at least five years, of any movable or immovable property, having ownership of such property and that there is no contrivance involved in the dedication of such property, for any purpose recognised by the Muslim law as pious, religious or charitable and includes— ...

....

(iv) a *waqf-alal-aulad* to the extent to which the property is dedicated for any purpose recognised by Muslim law as pious, religious or charitable, provided when the line of succession fails, the income of the waqf shall be spent for education, development, welfare or maintenance of widow, divorced woman and orphan, if waqif so intends, in such manner, as may be prescribed by the Central Government and such other purposes as recognised by Muslim law,

and “*waqif*” means any person making such dedication.

#### **Section 3A(2):**

(2) The creation of a *waqf-alal-aulad* shall not result in denial of inheritance rights of heirs, including women heirs, of the waqif or any other rights of persons with lawful claims.

In this regard it is submitted that that *waqf-alal-aulad* is created through a written instrument executed by the creator, wherein the deed specifies the beneficiaries and the distribution of benefits. The

statutory protection granted to the creator of *waqf-alal-aulad* against state interference parallels that afforded to wills and gifts and as such the creator retains the absolute right to designate only select heirs as beneficiaries while excluding others.

It is further submitted that the inheritance and succession under the Islamic law explicitly allocate fixed shares to women heirs. The 2025 Act encroaches upon the constitutionally protected right to establish *waqf-alal-aulad* under the guise of safeguarding women's inheritance rights despite the fact that women heirs already receive specific shares as Qur'anic heirs.

**ATTEMPT TO CREATE CONFLICT BETWEEN TWO  
STATUTES:**

J. **BECAUSE** it is submitted that the 2025 Act under Section 3D attempts to introduce a conflict between the properties that are waqf properties and properties that are protected under the Ancient Monuments Preservation Act, 1904 or the Ancient Monuments and Archaeological Sites and Remains Act, 1958. The relevant provision is extracted hereinbelow:

**Section 3D:**

*3D. Any declaration or notification issued under this Act or under any previous Act in respect of waqf properties shall be void, if such property was a protected monument or protected area under the Ancient Monuments Preservation Act, 1904 or the Ancient Monuments and Archaeological Sites and Remains Act, 1958, at the time of such declaration or notification.*

The aforementioned provision is bad in law on the following grounds:

- i. It is submitted that a Waqf property by its very essence is a permanent dedication and the principle “*once a waqf always a waqf*” has been settled by this Hon’ble Court in a catena of judgments. Thus, the present attempt being made in Section 3D to now declare an existing waqf property as void is unsustainable.
- ii. Without prejudice to the foregoing submission regarding the permanent nature of a waqf property, it is submitted that both the Ancient Monuments Preservation Act, 1904 as well as the Ancient Monuments and Archaeological Sites and Remains Act, 1958, provide for detailed mechanism by which the Government can declare a property as protected under the respective statute. The relevant provisions are extracted hereinbelow for ready reference:

Section 3 of the Ancient Monuments Preservation Act, 1904

**3. Protected monuments.—**

(1) The <sup>1</sup>[Central Government] may, by notification in the Official Gazette, declare an ancient monument to be a protected monument within the meaning of this Act.

(2) A copy of every notification published under sub-section (1) shall be fixed up in a conspicuous place on or near the monument, together with an intimation that any objections to the issue of the notification received by the <sup>1</sup>[Central Government] within one month from the date when it is so fixed up will be taken into consideration.

(3) *On the expiry of the said period of one month, the <sup>1</sup>[Central Government], after considering the objections, if any, shall confirm or withdraw the notification.*

(4) *A notification published under this section shall, unless and until it is withdrawn, be conclusive evidence of the fact that the monument to which it relates is an ancient monument within the meaning of this Act.*

Section 4 of the Archaeological Sites and Remains Act, 1958

provides as follows:

***4. Power of Central Government to declare ancient monuments, etc., to be of national importance.—***

(1) *Where the Central Government is of opinion that any ancient monument or archaeological site and remains not included in section 3 is of national importance, it may, by notification in the Official Gazette, give two months' notice of its intention to declare such ancient monument or archaeological site and remains to be of national importance; and a copy of every such notification shall be affixed in a conspicuous place near the monument or site and remains, as the case may be.*

(2) *Any person interested in any such ancient monument or archaeological site and remains may, within two months after the issue of the notification, object to the declaration of the monument, or the archaeological site and remains, to be of national importance.*

(3) *On the expiry of the said period of two months, the Central Government may, after considering the objections, if any, received by it, declare by notification in the Official Gazette, the ancient monument or the archaeological site and remains, as the case may be, to be of national importance.*

(4) *A notification published under sub-section (3) shall, unless and until it is withdrawn, be conclusive evidence of the fact that the ancient monument or the archaeological site and remains to which it relates is of national importance for the purposes of this Act.*

Thus, in case of a situation where the Government is of the opinion that a particular property is a protected monument, a mechanism is already contemplated that involves grant of hearing and consideration of objections of the owners of the property. Hence clearly the 2025 Act

is an attempt to create conflict and indirectly deprive the owners from raising objections and being heard if their property is declared as a protected property/monument. This is blatant violation of the principles of natural justice and smacks of malice.

## **VIOLATION OF RELIGIOUS RIGHTS OF MUSLIM MEMBERS**

### **OF SCHEDULED TRIBES:**

K. **BECAUSE** it is submitted that the 2025 Act under Section 3E inter alia makes a blatant attempt to deprive Muslim members of Scheduled Tribes under the Fifth or Sixth Schedule to the Constitution of India from exercising their rights Wakifs of various waqf properties. The relevant provision is extracted hereinbelow:

*3E. Notwithstanding anything contained in this Act or any other law for the time being in force, no land belonging to members of Scheduled Tribes under the provisions of the Fifth Schedule or the Sixth Schedule to the Constitution shall be declared or deemed to be waqf property.*

7. That the Annexures to the present writ petition are true or true typed copies of their respective original.
8. That this Petition has been filed in *bonafide* and in public interest and the Petitioners crave the leave of this Hon'ble Court to amend and add to the Grounds taken herein, if and when required.
9. That this Hon'ble Court has jurisdiction to decide this writ petition in public interest under Article 32 of the Constitution of India.

10. That no similar petition seeking similar relief has been filed by the Petitioner before this Hon'ble Court or any other Court.
11. That in view of the above it is in the interest of justice and equity that the Petitioner seeks to pray following directions from this Hon'ble Court under Article 32 of the Constitution of India.

### **PRAYER**

It is therefore in the interest of justice and in the facts and circumstances of the case, most humbly and respectfully prayed that the Hon'ble Court may graciously be pleased to:

- a) Issue an appropriate writ or direction to declare following Sections added to the Waqf Act, 1995 by the Waqf (Amendment) Act, 2025 as unconstitutional being in violation of Articles 14, 15, 25, 26, 29 and 300A of the Constitution of India:

- Section 3(da);
- Section 3(fa),
- Section 3(ka),
- Section 3 (r)
- Section 3 (r) (iv),
- Section 3A (2),
- Section 3B (2),
- Section 3C,

- Section 3D,
- Section 3E,
- Section 23 (1),
- Section 36 (3),
- Section 36 (3) (f).

b) Pass any other or further orders as this Hon'ble Court may deem fit and proper in the facts and circumstances of the present case.

SHALL, AS IN DUTY BOUND, EVER HUMBLY PRAY.**

DR. RAJIV MANI,  
*Secretary to the Govt. of India.*

**//TRUE COPY//**

1. That the accompanying Writ Petition is being filed by the Petitioners under Article 32 of the Constitution of India, seeking to challenge the Waqf (Amendment) Act, 2025 (hereinafter referred to as the “2025 Act”) as being *ultra vires* and in violation

of Articles 14, 15, 25, 26, 29 and 300A of the Constitution of India.

2. That the facts of the case is not reproduced herein for the sake of brevity and this Hon'ble Court may have kind enough to read the relevant part of accompanying WP as part of this application.
3. The Writ Petition is being filed primarily challenging the constitutional validity of following Sections of the impugned added to the Waqf Act, 1995 by the Waqf (Amendment) Act, 2025 as unconstitutional being in violation of Articles 14, 15, 25, 26, 29 and 300A of the Constitution of India:

- Section 3(da);
- Section 3(fa),
- Section 3(ka),
- Section 3 (r)
- Section 3 (r) (iv),
- Section 3 A (2),
- Section 3 B (2),
- Section 3 C,
- Section 3D,
- Section 3E,
- Section 23 (1),
- Section 36 (3),
- Section 36 (3) (f).

4. It is the respectful submission of petitioners that cumulative effect of these provisions will be highly detrimental to waqfs at large in this country and the Muslim community will be deprived of large tract of waqf properties on account of operation of these provisions. The amendments sought to be made in the parent Act through these impugned Sections will distort the religious character of waqfs and destroy the democratic process in the administration of waqfs and Waqf Boards. The newly added provisions will have devastating impacts on religious nature of waqfs in this country. For this reason, this Act is a blatant intrusion into the rights of a religious denomination to manage its own affairs in the matter of religion which is protected under Article 26 of the Constitution. Further, this Act is against the federal principles of Constitution as it takes away all powers of state governments and State Waqf Boards in connection with waqfs and accumulates all powers into the hands of Central Government.
5. The impugned Act not only infringes the fundamental rights of a prominent religious denomination in the country, namely Muslims, protected under Article 25 and 26 of the Constitution but also discriminates this community qua other religious

denominations in the country, and as such ultra vires Article 14 of the Constitution. These impugned provisions in the 2025 Act are patently unconstitutional and liable to be set aside at threshold. The impugned Act has immediate propensity to deprive Muslim community of their Fundamental Rights and hence operation of the same may be kept in abeyance till its legality is finally decided by this Hon'ble Court.

6. The application made herein is bona fide and deserves to be allowed in the interest of justice.

#### PRAYER

It is therefore humbly prayed that this Hon'ble Court, pending hearing and final disposal of this Writ Petition, may be pleased to:

- c) Stay the operation of following Sections added to the Waqf Act, 1995 by the Waqf (Amendment) Act, 2025 as unconstitutional being in violation of Articles 14, 15, 25, 26, 29 and 300A of the Constitution of India:

- Section 3(da);
- Section 3(fa),
- Section 3(ka),
- Section 3 (r)
- Section 3 (r) (iv),
- Section 3 A (2),
- Section 3 B (2),
- Section 3 C,

- Section 3D,
- Section 3E,
- Section 23 (1),
- Section 36 (3),
- Section 36 (3) (f).

a) Pass such other and further order as this Hon'ble Court may deem fit in the interest of justice and equity.

AND FOR THIS ACT OF KINDNESS THE PETITIONER HEREIN  
SHALL FOREVER PRAY
