Ref. No. 098 SCAORA 2026 - 2028

Date:- 12 October 2026

RESOLUTION

The Supreme Court Advocates-on-Record Association (SCAORA) by majority reiterates its firm commitment to the independence of the judiciary, which is essential to the rule of law and the fair administration of justice.

SCAORA appreciates the stand taken by the Hon'ble Chief Justice of India in making it clear that political parties seeking resolution of their grievances must approach the Court through the judicial process. Any such grievance can be raised before the Court in accordance with law, where it can be considered independently and on its merits.

No action should be taken that may obstruct the functioning of the Courts or hamper the fair and independent dispensation of justice.

The independence of the judiciary must be respected by all, and every grievance requiring judicial resolution must be pursued through the established legal process.
